THIS IS A RECEIPT ONLY

The purchaser should retain this receipt. The original order is being forwarded to the office of the Line nearest to the residence of the intending passenger. The office of the Line abroad will confirm that passage has been paid and forward full information of further requirements to the intending passengers. The passengers are expressly cautioned not to leave their homes for embarkation until they have received explicit instructions from the Line.

The original order provides that the Swedish American Line will furnish the person or persons named therein passage as specified or requested, if accommodation is available at the rate paid, subject, however, to the following terms and conditions, all of which are incorporated therein as part thereof:

1. The order must be exchanged for a passage contract and passage will be furnished subject to all the terms, conditions, stipulations, limitations, exceptions and exemptions contained in the form of passage contract which is in use by Swedish American Line at the time when the order is presented for exchange.

2. The passenger must be in possession of a valid passport, duly visaed, or an official document equivalent thereto, and all other documents which may be required by the authorities of the United States of America or Canada, and must be admissible to the United States of America or Canada, in accordance with the laws, rules and regulations applicable to persons seeking admittance to the respective country of destination. Aliens barred from landing in America include persons suffering from loathsome or contagious disease, idiots, insane, invalids or cripples, epileptics, persons likely to become a public charge, professional beggars, those convicted of felony, or other crime or misdemeanor involving moral turpitude, polygamists, anarchists, prostitutes, contract laborers, blind, deaf or dumb, those suffering from Tracoma, Favus, Hernia, Tuberculosis, poor physique, or old age.

3. Additional fare must be paid before embarkation in the following cases:—if passage is desired in a ship for which the rate is higher than that paid for in the order, if a seasonal increase is applicable, if this order is dated prior to a general increase in rates and presented for exchange for a passage contract after such increase becomes effective, or if a minor named herein is found to be older on the day of sailing than the age limit for which passage has been paid.

4. The order will be honored at rate paid within one (1) year from the date of issue.

5. While name of class designated herein is subject to alteration, this will not mean any change in accommodation furnished.

6. The Master or Owners will not be responsible for any consequences arising from hostilities or warlike operations between any nations, blockades, embargoes, regulations of any government authority, or any official interference with commercial intercourse. If the ship is detained in consequence of such actions, passengers will be charged for any extra time they are on board.

7. Should the passenger not avail himself of passage as provided in the order, refund may be requested, and will be effected after deduction of commissions earned, cancellation fee, and such expenses and disbursements as may have been incurred in connection with the order.

Dear Mr. D.T. Longo:

In reply to your letter of February 6, I notify you that I received a letter from Kazimiera Baranowska on January 14, 1959 stating that on January 12, 1959 she married Mr. Waskiewicz, a U.S. citizen and U.S. Army veteran.

Kazimiera Baranowska Waskiewicz's husband has filled our Form I-133 and another form and has paid \$10 and \$25 in fees to your Department in Springfield, Mass.. He is asking your Department in Springfield to let his wife remain in the United States permanently.

He intends to go with his wife to the U.S. Consul in Canada to complete the status of his wife. This is all I know about the affairs of Mrs. Kazimiera Baranowska Waskiewicz.

Very truly yours,

Dear Mr. Furtek:

This office notified Mrs. Kazimiera BARANOWSKA on December 5, 1958, that she was required to depart from the United States on or before January 4, 1959.

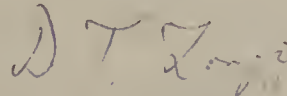

We have been informed that she is still in the United States, and also that she has been in touch with you concerning her immigration status. We have also been informed that she was married Jan. 12, 1959.

Since it appears that she is in the United States in violation of law and has also failed to comply with provisions of the Alien Registration Law, would you please inform this office by return mail as to any knowledge you may have of the subject.

Very truly yours,
